POSSIBLE FUTURE AWAY MISSIONS:

- **Fort Frederick State Park, Washington County** ~ 18 miles west of Hagerstown.
<https://dnr.maryland.gov/publiclands/pages/western/fortfrederick.aspx>
Hours of Operations: April through October: 8 a.m. to sunset
November through March: 10 a.m. to sunset
Day-use Admission Fee: Maryland residents \$3/vehicle; out-of-state residents \$5/vehicle
- **National Museum of the US Navy - near the SE Navy Yard.**
Currently only open on Saturdays, but that could change by springtime. You need to make an appointment. After 9/11, you may need inspection and approval to be consistent with entering a military base.
- **Rock Creek Park Nature Center and Planetarium. Just inside the DC line from Montgomery County near Bethesda.**
It has a nice nature center. What facilities they have (parking, et. al) need to be investigated.
- **National Museum of Health & Medicine - On Linden Lane in Silver Spring.**
It looks interesting, definite appeal to those interested in the medical field.
- **Alexandria Archaeology Museum** - Union Street, Old Towne Alexandria, VA.
An appeal to us Picard types that love archaeology.

Other places to be considered include:

- *Udvar-Hazy Center – National Air & Space Museum; Monocacy Battlefield; Frederick Keys &/or Hagerstown Flying Boxcars baseball game; a trip to the movies; and possibly a Fathom Event.*
- In lieu of the *Ship Monthly Movie Night*, we're looking for a weekend afternoon dinner/movie/gathering in Montgomery County.
